

SFO Thematic school 2026

Ultrafast sources of coherent light

The Houches Physics School, France, March 22 to 27 - 2026

Each year, Les Houches School of Physics welcomes young physicists from all over the world to acquire and perfect their scientific knowledge in a magnificent location nearby Mont Blanc Mountain, south-east of France. Over the last 70 years, about 50 Nobel Prize winners and several Fields medalists have taught at Les Houches School of Physics.

Aurélien Jullien and Marc Hanna are delighted to inform you of the organization of a workshop at Les Houches School of Physics from **March 22 to 27, 2026** dedicated to the latest developments and applications in ultrafast laser sources:

Ultrafast sources of coherent light: current research and emerging applications

Top scientists and researchers working in the field will contribute to this gathering by giving plenary talks to about 60 participants. Among the guests who accepted to participate in this workshop: Anne L'Huillier, Nathalie Picqué, Clara Saraceno, John Dudley, Dimitris Papadopoulos, Spencer Jolly

Sponsoring - SFO Thematic school 2026 – Les Houches

Logo Sponsoring

Logo added online onsite as "Sponsor"

Displaying the company logo

✓ On the official SFO Thematic School 2025 website

✓ On SFO Thematic School 2025 Booklet - Attendee's Guide

✓ In the OPENING SPEECH of SFO Thematic School 2025

800 €

Poster Sponsoring

One Industrial poster

Your Company has an opportunity to show its know-how to the SFO School attendees by sending a poster to be shown inside the conference room

800 €

Industrial Conference Talk

20 min talk

Your Company has an opportunity to give a 20 min presentation as a conference talk

with the logo and Poster sponsoring package included

1 500 €
